VACUUMS

Offering a complete collection of effective cleaning solutions designed to clean your entire home from floor to ceiling effortlessly including uprights stick vacuums, canister cleaners, Tanks and handhelds.

CANISTER VACUUM CLEANERS

Our Canister vacuums deliver powerful suction to clean carpets, hard floors and all those other hard to reach areas.

AIR MULTICYCLONIC

VACUUM CLEANER

The Hoover AIR is part of a range of vacuum cleaners designed to be lightweight. It's big on performance just in a compact and lightweight package. As it uses multicyclonic force you always have constant, powerful suction as you clean. Multiple cyclones separate dirt from the air path so it collects in the 2 litre capacity container, not the filter. H12 HEPA filtration removes very fine dust particles, pollen and other allergens so your home is a more comfortable place to be.

- Multicyclonic technology - multiple cyclones separate dirt from the air giving you constant, powerful suction
- Compact and lightweight so it is easy to carry upstairs and from room to room
- H12 hepa filtration - helps to remove very fine dust particles, pollen and other allergens
- Full size capacity - 2 litre dirt container: compact and lightweight, but with a full size capacity dust container

ULTRA-LIGHTWEIGHT

At only 4.9kg, it's easy to carry up and down the stairs.

MULTI-CYCLONIC

Technology Provides constant, powerful suction.

COMPACT

Air mini is exceptionally lightweight and compact. Ideal for those with smaller living spaces, it offers the kind of versatility and performance demanded by modern home-owners.

HIGH SUCTION POWER

280AW of suction power for best results on hard floors and carpets.

EXTENDED REACH

Combined 6.7 metre stretch hose lets you clean in hard to reach areas, while 8m power cord will allow you to freely move between the rooms without unplugging.

SINGLE CYCLONIC TECHNOLOGY

Cyclonic force separates dust from the air, so it collects in the container and is tipped away at the touch of a button.

POWERFUL PERFORMANCE

2000W motor power to achieve best results on hard floors and carpets.

STEAM + DETERGENT POWER

Using detergent with steam helps break down grime faster than with steam alone. Steam + detergent tackles stubborn dirt and stains and leaves the room smelling fresh. You have the option to turn the detergent on and off at your own convenience.

COMPACT SCRUB BRUSH

A built in compact scrubber brush that pops out with ease is sure to remove any tough stains from your floor and grout. This brush does all the hard work and scrubbing for you, making every day cleaning tasks easier and more time efficient.

10 PIECE ACCESSORY KIT

With the 10 piece accessory kit you are able to clean floors and above the floor. You can successfully clean ovens, taps, tiles, kitchen surfaces, hobs, grout, windows and more at your own convenience. This ensures you are able to complete a total home clean with ease.

QUICK AND CONVENIENT

Heating up in less than 30 seconds, the Steam Fresh Combi delivers 12 minutes of cleaning time and leaves floors and surfaces dry within a matter of minutes, making this steam cleaner perfect for use in homes with children and pets.

VARIABLE STEAM CONTROL

Thanks to the Steam Fresh Combi's variable steam functionality you can tailor the steam cleaning power to the type of floor or surface you have and is great for penetrating deep into stubborn grime.
